Attention Hiring Committee,

I am writing to express my keen interest in the FIRE CHIEF position with Fort Mesa Fire Protection District. With 39 years of experience leading high-performance teams and driving strategic growth in the Fire Service, I am confident that my experience and leadership approach align with your department's goals and vision.

Key highlights of my experience:

- **LEADERSHIP:** I have 39 years' experience in the fire service and **20 years** of that is in a Chief position that provided Leadership, Administration, Operations, Training & Education and Staff Development.
- **FINANCIAL INITIATIVES:** Proven track record of securing over \$20 million in federal, state, and local grant funding to support equipment, staffing, training, and infrastructure.
- **INTERAGENCY COOPERATION & STANDARDS:** Led multi-agency response planning, standardized training program and operations for major incidents, ensuring operational readiness, interagency coordination, and community safety.
- **LEGISLATION/ STATE LEVEL MENTORING:** Trusted advisor to state legislators and public safety committees; provided testimony and authored public safety legislation to benefit fire departments statewide. New Law for fire department apparatus.

I'm an Author, with the Clarion Fire & Rescue Group. The Group has publication Magazines for JEMS, Journal of Emergency Medical Services, Fire Engineering Magazine, Fire Apparatus & Emergency Equipment and Firefighter Nation, all here in the United States.

I'm also a successful National Grant Writer and I have been awarded over \$20 Million in grants and with a 95% success rate since 2006.

I don't take a position such as a FIRE CHIEF lightly. At my core, I prepare myself, both Operational and Administrative every day and strive towards excellence. I have such a **deep sense of responsibility** to the community; that I'm always seeking ways to provide and protect them if they were my family members.

CHRISTOPHER M. GIBBONS

SUMMARY

If selected as your next FIRE CHIEF, you will gain a servant leader who leads by example and follows his heart. I believe in treating every individual with respect, ensuring their voice is heard, and creating a culture where input is valued. I am deeply committed to mentorships, helping personnel grow in their areas of interest and placing them in roles where they can thrive. I will bring experience in teaching all disciplines of the Fire & EMS service and will invest in developing well rounded, confident professionals.

I will be highly visible and engaged in the community, someone the public knows and trusts. My firefighters come before being and I am driven to uplift, support, and ensure they feel appreciated and empowered. My goal is not simply to serve as the Fire Chief, my goal is to be a Leader others admire, trust, and respect.

EXECUTIVE EXPERIENCE

Fire Chief | Emergency Management Director | Disaster Planning

Bismarck Fire Protection District | 1985 – 2014

To whom it may concern,

I have known Chris for 40 years, dating back to my time as a firefighter with the Bismarck Fire Department. As his supervisor during my tenure as a Lieutenant, it was evident early in Chris's career that he was destined for great leadership. Our management team recognized his potential and believed he would follow in the distinguished footsteps of his father and grandfather by becoming Fire Chief.

After my retirement, Chris fulfilled that vision, becoming Fire Chief and propelling the department forward through innovative thinking and a thoughtful, meaningful approach to leadership.

Chris is known for identifying and mentoring future leaders. He worked tirelessly with four young firefighters, investing in their professional and personal development. His leadership extended beyond the station, as he genuinely supported their family lives and encouraged loved ones to visit the firehouse while their spouse was on duty.

Those four firefighters went on to become Fire Chiefs themselves with other fire departments, and each continues to seek Chris's advice and guidance. His influence extends far beyond his immediate role, exemplifying his remarkable leadership and mentorship skills.

Chris is highly sought after—not just at the state level, but nationally. Any fire department is fortunate enough to have him as their Fire Chief will undoubtedly thrive under his leadership. Chris's positive impact will extend beyond the station, enriching both his staff and the community he serves.

I recently became aware of a project Chris was asked to do for the Missouri House of Representatives for Missouri Fire Departments. Again, his leadership was sought, and his loyalty to Missouri Fire Department's will soon be obtained from this project.

Thank you for allowing me the opportunity to endorse my friend and comrade, Chris Gibbons.

Sincerely,
Brian Masson (Ret.)

Danny Hale, Firefighter/Paramedic (Ret.)

To whom it may concern,

I am happy to offer my highest recommendation to Christopher Gibbons for the position of Fire Chief.

I am a line of duty disabled career paramedic/firefighter. I retired in 2002, when I was involved in a serious ambulance accident and cause severe damage to my body.

I began my career in 1984 with the Bismarck Fire Protection District. I served as the EMS Officer and Chaplain for the fire district.

I met Chris while we were serving together at the fire district and was his supervisor in the 1980's. He was one of our best. Chris coming from a family of Fire Chief's we knew Chris was going to be our Fire Chief one day. Even from the young age of a 18 year old rookie, he showed extraordinary dedication to being the best firefighter he could be.

After I was forced to retire, I moved back to where Chris was the Fire Chief. Chris ask me to become the Chaplain again, and he helped me find a way to serve again. This time our roles were reversed, and I served under his leadership. I found him to be an excellent leader. He has a way of inspiring those who serve under him to do their best.

I had the privilege to serve alongside of Chris, and the even greater privilege to have him as a lifelong friend, when my disability left me unable to mow my yard, Chris surprised me by showing up to cut my lawn and leave without saying a word or expecting a "Thank You".

Most recently, Chris encouraged me to run for political office and become a Board Member for the Bismarck Fire Protection District.

This is the kind of person Chris is. You won't find a more knowledgeable or dedicated firefighter. You certainly won't find a better leader, or a better person.

Sincerely,

Danny Hale (Ret.) Paramedic/Firefighter

To Whom It May Concern:

It is my privilege to endorse Chris Gibbons as an exemplary man who will bring a high level of value and professionalism to your city and fire department.

I've known Chris for 24 years now and I characterize him as standout, critical for thinker, and a heart of gold.

I've watched Chris develop valuable professional skills including communication, work ethic, critical thinking, problem solving, and empathy. His ability to connect with others is staggering.

Chris has attended the National Fire Academy and the St. Louis County Fire Academy while I have known him.

Chris is one of my best friends, a mentor, a confident, and one that I will always support in any endeavor he chooses.

In short, I strongly recommend Chris as a natural leader who will make a positive difference in any opportunity he is given.

Warm Regards,

Greg Perks, Police Chief, MS

JARED MEADOR FIRE CHIEF

Letter of Support for Chris Gibbons – Fire Chief

To Whom It May Concern,

I am writing to express my wholehearted support for Chris Gibbons in his candidacy for the position of Fire Chief for your Fire Department. Chris is not only a trusted friend but also a professional mentor who has significantly shaped my career in the fire service.

At a young age, I approached Chris with a desire to become a firefighter. At that time, he was serving as Deputy Chief, responsible for mentoring staff and developing individualized Professional Development Plans. Chris was a pillar of the community—actively involved in schools, churches, and social events. He was always willing to share his passion for the fire service and its transformative impact on life.

I was fortunate to be selected for his mentorship program. Under his guidance, I followed an educational path that led me to earn my Firefighter I & II certifications. Chris' mentorship didn't just prepare me for the technical aspects of firefighting—it instilled leadership skills and a deep sense of service.

Thanks to the foundation Chris helped build, I accepted a position with a county fire department and have since been honored to serve as the Fire Chief for the City of Desloge. Chris' support didn't stop when I stepped into this role. He continues to be a trusted advisor, providing guidance and assisting with financial strategies for our department.

I can confidently say that I would not be where I am today without Chris Gibbons' mentorship and unwavering dedication to my development. His exceptional leadership and ability to inspire growth in others make him the ideal candidate for the Fire Chief position

Sincerely,
Jared Meador
Fire Chief

To the hiring committee:

I am writing to express my wholehearted support for Chris Gibbons in his candidacy for the position of Fire Chief. Chris is not only a trusted friend but also a professional mentor who has significantly shaped my career in the fire service.

In 1993, I started my career with Bismarck Fire Department's where Chris was responsible for mentoring staff and developing individualized professional development. Chris was a pillar of the community actively involved in schools, churches, and social events. His willingness to share his passion for the fire service and its transformative impact on life was inspiring.

I was fortunate to be selected for his mentorship program. Under his guidance, I pursued an educational path that led me to earn my Firefighter I & II certifications. Chris' mentorship went beyond technical firefighting skills; he instilled in me essential leadership abilities and a deep sense of service to the community.

Thanks to the strong foundation Chris helped build, I advanced my career at the Doe Run Fire Protection District, holding the ranks of Lieutenant, Captain, Assistant Chief, and ultimately Fire Chief until my medical retirement in 2023. Even now my career was over, while I was getting a kidney transplant, Chris often checked on me and offered support not only for me, but my family.

Even after I assumed leadership roles, Chris remained a trusted advisor, offering invaluable guidance and assisting with financial strategies that greatly benefited our department. His dedication to the fire service and to the success of those around him is unparalleled.

Another key contributed factor, we were wanting to build a new fire station. Chris was the Chief at the department that boarded us to the north. Due to his leadership, our Board of Directors ask him to handle the entire process. Chris handled everything from the design to us moving into our new fire station. Due to his dedication and passion for the fire service, he declined competition from the Board of Directors and told them to take that money and invest it in the staff.

I can confidently say that I would not be where I am today without Chris Gibbons' mentorship and unwavering dedication to my development. His exceptional leadership, strategic thinking, and ability to inspire growth in others make him the ideal candidate for the Fire Chief position in your community/

Sincerely,
Lyndon P. Kindle, (Ret.), Fire Chief
Doe Run Fire Protection District
