PETITION TO RECALL [Sallie Barney] from the office of Mayor Pro Tem

We, the undersigned registered electors of the Town of Silverton, Colorado, demand the town of Silverton Trustees order that a recall election be held, and, if successful, a successor be elected, all as provided for by the Town of Silverton. The grounds for such recall are:

Sallie Barney took an oath to uphold the constitution of the state of Colorado, which shows she isn't here to stand up for Silvertonians. Voting out economic growth for people who have lived or want to own a small business after saying on her platform that she supported town workers and affordable housing.

Her views on OHV's were she 'didn't have any data to make any recommendations' and 'they must have benefit'. She 'liked seeing OHV's when the train wasn't here'. Sallie also wanted 'people to live here all year round without job insecurity'.

Due to incompetence of knowing how trustee meeting laws work and lack thereof knowledge of our community issues, to help provide an economy for Silverton that works for all Silvertonians, Sallie Barney should be recalled for not having the best interests of the Town of Silverton. Her lack of transparency and knowledge has shown her to be unfit to serve.

The undersigned endorsers shall file this Petition on behalf of all signers. All notices or information concerning this Petition may be mailed to the following electors of the Town of Silverton:

1. Cole Davenport - 1333 Greene St. Silverton, CO 81433

PETITION TO RECALL [Shane Fuhrman] from the office of Mayor

We, the undersigned registered electors of the Town of Silverton, Colorado, demand the town of Silverton Trustees order a recall election be held, and, if successful, a successor be elected, all as provided for by the Town of Silverton. The grounds for such recall are:

- Conflict of interest using the elected position of Silverton Mayor to promote projects that will enrich himself
- Mayor Fuhrman campaigned on a platform of affordable housing for the service industry. He and his investors purchased the only affordable building in town that houses service workers with the intent to convert the apartments to condominiums for sale and used as vacation rentals.
- Mayor Fuhrman is currently not pushing the Town of Silverton to develop and build affordable housing
- Mayor Fuhrman refused to stand for the pledge of allegiance at the opening of the April 12, 2021 Silverton board meeting.

The undersigned endorsers shall file this Petition on behalf of all signers. All notices or information concerning this Petition may be mailed to the following electors of the Town of Silverton:

PETITION TO RECALL Jordan Bierma from the office of Trustee

We, the undersigned registered electors of the Town of Silverton, Colorado, demand the town of Silverton Trustee order that a recall election be held, and, if successful, a successor be elected, all as provided for by the Town of Silverton. The grounds for such recall are:

Jordan Bierma took an oath to uphold the constitution of the state of Colorado. On his platform for interview as trustee, Bierma said he would like to see more Veteran help in our community. By refusing to stand up for the Pledge of Allegiance, shows he isn't here to stand up for Silvertonians.

Lying to the people about his views of Silverton and OHV's, Bierma has voted out economic growth for people who have lived or want to own a small business.

Due to his incompetence and the lack thereof knowledge of our community issues, to help provide an economy for Silverton that works for all Silvertonians, Jordan Bierma should be recalled for not having the best interests of the Town of Silverton.
